

Serra 2012 Safety Introduction and Contacts

The 2012 Serra Little League season continues in the implementation of the Little League Headquarters endorsed ASAP Safety Plan Program. The purpose is to ensure the safest possible environment for all participants of Serra Little league is achieved through training, information dissemination and awareness of safety concerns at all times. With implementation of this program, SLL hopes to prevent injuries and make the 2012 season an enjoyable and constructive activity for all our children and adult participants.

The Serra Little League Safety Manual outlines the basic tenets of Little League Baseball safety and provides managers, coaches, and umpires with the necessary information to conduct a safe season.

Safety Officer

Serra Little League has a dedicated Safety Officer, who serves as a member of the Board of Directors. The Safety Officer for 2012 is Stephen Gross. Steve can be reached by calling his home phone (408-343-1115) cell phone (408-329-3355) or via e-mail (safety@serralittleleague.com).

If you have any questions about the SLL Safety Program, or if you have any ideas or suggestions that would enhance the safety of league activities, please feel free to contact the League Safety Officer, or any Board member.

2012 Safety Telephone Numbers / Emails

All Serra Little League fields are under the jurisdiction of the Sunnyvale Public Safety Department (SPSD) which handles both Police and Fire emergencies.
